

BioMentor THU

2026 Mentee Application Form

*Thank you for your interest in the **BioMentor THU Program**. This form helps us understand your academic background, research interests, application plans, and mentoring needs so that we can make thoughtful mentor-mentee matches.*

Please complete the form independently and provide accurate information. Information submitted through this form will be used only for application review, mentor matching, and program administration.

Application Agreement

Please review and confirm each statement before submitting your application.

- ☐ I understand that BioMentor THU is a volunteer-led mentoring program and that submitting an application does not guarantee participation or a mentor match.
- ☐ I confirm that the information I provide in this application is accurate and represents my own experience and work.
- ☐ I understand that mentors provide guidance and feedback but will not write or complete application materials on my behalf.
- ☐ I agree to communicate respectfully, protect confidential information shared through the program, and respect the time and boundaries of mentors and other participants.
- ☐ I consent to the information provided in this form being used for application review, mentor matching, and administration of the BioMentor THU Program.
- ☐ I agree to follow the rules, expectations, and guidelines of the BioMentor THU Program.

Section A — About You
